All Constituent Lodges

Brethren,

RE: COVID update

As AHS Restrictions have moved into Phase 2 of Alberta's Open for Summer Plan and Outdoor social gatherings - up to 20 people with distancing (indoor gather still not permitted); Lodges of Alberta will resume outdoor meetings.

A detailed plan regarding the resumption of Lodge activities is being formulated and will be released shortly. As Provincial regulations are relaxed, please watch for updates on the Grand Lodge website and from your Lodge Secretary.

The Grand Lodge of Alberta is always committed to the Safety of all Masons and their families. Continue to follow the directions of AHS, get vaccinated and remain vigilant in reaching out to those vulnerable in our communities.

Warmest regards, Terry

M.W. Bro. Terry Murray  
Grand Master  
Grand Lodge of Alberta
